

Mar. 11 - Scripture: Luke 12: 35-59

A verse that speaks to you: Verse Luke 12:48. "Great gifts mean great responsibilities; greater gifts = greater responsibilities" - THE MESSAGE.

Observation: "From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked" NIV

Application: Whatever God has given you-Talents, Time, Resources, etc., make sure you use them, especially for the Kingdom! When my daughter practices her voice or instrument regularly, you can tell the music/sound gets better and it seems like she enjoys the time more and more.

I sincerely believe that God will use the least of us for witness. Each time we please God (for just obeying his word/voice), God will give you another word with a little more and then the next time another word with a little more and then next time another word with a little more.

Billy Graham started as a Fuller Brush salesman going door to door. Reverend Graham eventually filled stadiums and folks came to hear him speak on the "eternal product"!

Prayer: Father God, Let your Holy Spirit guide me to use what you have given me in your perfect will. Let me not squander my talents, time and resources on foolish things. Teach me to listen and hear your voice. Let me also be thankful for what you have given me.

Guide me and let me share your blessings. I pray these words in the powerful blood of Jesus. AMEN

Writer: Mike Derrick, married to Natalie, daughter Megan, can't remember life before Eastminster. Praise God for a praying church. For relaxation, I enjoy being with my bride and daughter, swimming and snorkeling.
