NEW SANCTUARY CHANCEL: For five years we have had temporary staging in the front of our sanctuary. Our choir and all of us rejoice in the remodeling just finished which gives us a beautiful and very flexible chancel. This effort has netted us space up front as well as sanctuary seating. Chad Morrison spearheaded this project for the congregation with the help of Bill Berndt, Steve Corell, Lou Fead, David Grider, Harv Hobson, Pete Sorensen, and David Szostak. They got the project done on time and under budget. We thank God for this great step forward!
