

But from the beginning of the creation God made them male and female. For this cause shall a man leave his father and mother, and be joined to his wife; And they two shall become one flesh: so they are no longer two, but one flesh. Therefore what God has joined together, let no one separate.

*Eastminster Presbyterian
welcomes you!*

Dear Bride & Groom,

Congratulations! The decision to marry is one of the most exciting decisions you will ever make. Eastminster is happy to celebrate with you and help you.

A wedding formally initiates a marriage. We encourage you to conduct your *wedding* in the church facilities and to live your *marriage* in the church's ongoing life. God can truly grace a relationship before, during, and after a wedding. This grace flows through regular worship with a congregation, personal Bible reading and prayer, and acts of giving.

We also realize God can work with your relationship through input from others on such things as communication, finances, conflict resolution, and praying together. With that in mind, you will need to visit with our pastoral staff regarding premarital counseling.

As for the wedding ceremony, in the Presbyterian Church it is worship service. For this reason, weddings contain readings of scripture, prayers, music, and vows that bring honor to God. Eastminster is glad to enter into the joy that surrounds a Christian marriage. All members of the wedding party are asked to assist in making your wedding an appropriate worship experience.

These guidelines were designed to answer many of the questions you may have about a wedding at Eastminster. If, after reading these guidelines you would like to arrange a wedding at our church, please call our Wedding Coordinator at 321-723-8371.

We look forward to joining you on this exciting day,

Elmer Floyd & Jeff Wood, Co-Pastors
Eastminster Presbyterian Church

REHEARSALS

The rehearsal should begin promptly at the time scheduled. The rehearsal requires approximately one-half hour. The minister is in charge of the rehearsal. All persons involved in the wedding, including both sets of parents, are encouraged to be present for the rehearsal. The ushers should participate in the rehearsal. When you arrive for the rehearsal, please be prepared to provide information as to: Who will light the candles? Who will seat the mothers? How many family pews shall be reserved?

MARRIAGE LICENSE

The marriage license must be delivered to the wedding coordinator at the rehearsal. Licenses are obtained from the Melbourne Courthouse, Clerk's Office, 51 S. Nieman Ave, Melbourne. They are valid only if obtained no more than sixty days in advance of the wedding and not less than 72 hours.

DRUGS, ALCOHOL & TOBACCO

No drugs or alcohol are permitted anywhere on the church property. Smoking is permitted outdoors only (and not at the sanctuary front doors).

AVAILABILITY & RESERVATIONS

Eastminster is not available for weddings on Palm Sunday, Easter or Christmas weekends. Weddings scheduled in these seasons must make arrangements so that wedding decorations blend in with and not displace those present in the sanctuary and fellowship hall.

Saturday weddings, because of our 6 pm Saturday worship service, need to be completed by 5:00 p.m., which means the latest wedding would be at 4:00 p.m.

With the wedding, the couple has use of the Parlor and Chapel for two hours prior to the wedding.

Your wedding at Eastminster Presbyterian:

SANCTUARY

The sanctuary at Eastminster is contemporary in style with orange and white decor, and is designed to seat a maximum of 450 persons.

MINISTER

Counseling sessions are a necessary part of being married at Eastminster. A couple desiring to be married here should arrange an initial conference with the minister(s) at Eastminster well in advance of the wedding date. No marriage date is confirmed at Eastminster until this initial conference with the minister is held. The counseling sessions are a time for the bride and groom to talk with the pastor about their wedding and their marriage. If you desire another minister or priest to participate in the ceremony, the minister at Eastminster would be happy to talk with you about this.

WEDDING COORDINATOR

Eastminster provides a wedding coordinator to integrate the services of the pastor, the organist/soloists/musicians, the florist, photographers, and the custodial staff. Please contact her to secure a date on the church calendar. At the rehearsal and at the wedding, the coordinator will instruct the ushers, facilitate the entry of the bridal party, and assist in any way possible.

SOUND TECHNICIAN

For any special audio or visual needs beyond basic amplification, our sound technician can be provided for additional cost.

RECEPTIONS

The Fellowship Hall is available for receptions.

MUSIC

Wedding music should be appropriate for worship. The wedding coordinator will contact our church music director/organist well ahead of the wedding date to arrange for an appointment to select music. The purpose of music in a church wedding is to glorify God. Wedding music need not be solemn - it may be joyful and lively, or soft and meditative. During the appointment to choose music with the bride and/or groom, the music director/organist will

also be glad to suggest solo selections and secure soloists, if requested. All music associated with the wedding must be approved by the music/director organist. The church organist will play for all weddings. If our organist is unable to play for the wedding, he/she will obtain a suitable organist and brief him/her on the music for the ceremony.

FLORIST

Flowers and decorations should enhance the wedding ceremony and be appropriate to the worship setting. Flowers and Candelabra may be used in the chancel area or on the pews; however, we ask that they comply with the following guidelines:

1. Candelabra may be used. However, they are to be used in the chancel only and only with drip-less candles. The church can supply these candles for \$25.
2. Florist/decorators must not use thumbtacks, pins, nails, scotch tape, glue, etc., on any of the furniture or appointments.
3. Furnishings that are moved shall be replaced after the wedding. Liturgical furnishings may not be removed without the pastor's permission.

The florist/decorator should call the wedding coordinator one week in advance of the wedding to set a time for decorating the church, so that arrangements can be made for opening the sanctuary. Decorations should be completed at least one hour before the wedding ceremony.

The florist/decorator must remove all decorations and equipment promptly after the ceremony and replace any furnishings that have been moved.

The florist/decorator will be held responsible for all damage done to the building or furniture and is responsible for cleaning any wax from carpet or furniture that may result from the wedding.

The members of the wedding party are responsible for removing all clothing, boxes, etc., after the service.

No rice, birdseed, confetti, real or silk flowers, or any other substance may be thrown on Eastminster' premises.

PHOTOGRAPHER

Pictures may be taken before or after the service in any part of the building. No pictures may be taken in the sanctuary from the beginning of the processional to the end of the recessional with a flash. (Pictures may be taken from the balcony or narthex during the ceremony, provided no flash or accessory lighting is used.)

The service may be videotaped from the balcony.

WEDDING CONSULTANT

A wedding consultant is not essential. However, Eastminster is happy to work with your consultant. The wedding consultant should contact the wedding coordinator well in advance of the rehearsal.
